## ABOUT ME

As a dedicated third-year B.Tech student specializing in Cyber Security at SR University, I am passionate about exploring the evolving landscape of cybersecurity threats and solutions. My academic journey has equipped me with a strong foundation in computer science, complemented by hands-on experience in cyber threat detection, prevention, and incident response. I am particularly interested in innovative approaches to safeguarding digital environments, with a focus on protecting IoT and OT/ICS systems from ransomware and other emerging threats.
